## **Session Chair Duties**

- 1. Identify and introduce yourself to the presenters and mark them on the program page for your session.**
- 2. Make sure the presenters have their PowerPoint files loaded in the presentation computer, use your own laptop.**
- 3. At session start be aware of missing presenters and divide the total session time equally among the presenters.**
- 4. Ask the presenters to sit in the front row for easy access to the presentation area**
- 5. When the presenter is ready, read out the paper title and give the page number in the program document.**
- 6. Introduce the presenter by title, name and affiliation, and read out the paper title again.**
- 7. Keep an eye on the time and give a 3 minutes warning before the end of the allotted time.**
- 8. Ask the audience to join you to give the speaker an applause**
- 9. Prepare a question to ask if no one does**
- 10. Restrict the discussion time to the total time per presentation.**
- 11. Thank the presenter a 2nd time and ask the audience to join you in giving a final applause.**
- 12. Make note if suitable for selection for IJSSST special issue.**

### **Presenters:**

#### **Conditions for Presentation Certificate and Submitting Paper to IEEE-Xplore**

- 1. Presenter must demonstrate deep and detailed knowledge of the paper content by utilizing the full 20 minutes presentation time.**
- 2. The session chair must be satisfied the presenter has answered at least one question in full to the approval of both the session chair and the participants.**
- 3. The value of conference attendance is to get maximum feedback from participants on the significance of the research being presented.**
- 4. Speak clearly and slowly, do not 'mumble' or race through the sentences, moderate your voice to make sure attendees hear every word you say without shouting.**
