5				
6				
7	David Al-Dabass	Nottingham Trent University	Nottingham, UK	david.al-dabass@ntu.ac.uk

### **Session Chair Duties**

- 1. Identify and introduce yourself to the presenters and mark them on the program page for your session.**
- 2. Make sure the presenters have their PowerPoint files loaded in the presentation computer, use your own laptop.**
- 3. At session start be aware of missing presenters and divide the total session time equally among the presenters.**
- 4. Ask the presenters to sit in the front row for easy access to the presentation area**
- 5. When the presenter is ready, read out the paper title and give the page number in the program document.**
- 6. Introduce the presenter by title, name and affiliation, and read out the paper title again.**
- 7. Keep an eye on the time and give a 3 minutes warning before the end of the allotted time.**
- 8. Ask the audience to join you to give the speaker an applause**
- 9. Prepare a question to ask if no one does**
- 10. Restrict the discussion time to the total time per presentation.**
- 11. Thank the presenter a 2nd time and ask the audience to join you in giving a final applause.**
- 12. Make note if suitable for selection for IJSSST special issue.**

## UKSim2016 Conference Program at a Glance

### Conditions for Submission to IEEE-Xplore

1. Presenter must demonstrate deep and detailed knowledge of the paper content by utilizing the full 20 minutes presentation time.
2. The session chair must be satisfied the presenter has answered at least one question in full to the approval of both the session chair and the participants.
3. The value of conference attendance is to get maximum feedback from participants on the significance of the research being presented.
